

Application for Admission to the Communication Disorders (ComD) Major  
 [Submit this application to the ComD department secretary in 136 TLRB]

Name \_\_\_\_\_ BYU ID Number \_\_\_\_\_

Email address \_\_\_\_\_ Phone Number \_\_\_\_\_

Grades and Semesters of Prerequisite Courses

	Letter Grade	Semester/Year	(Note any repeats of prerequisite courses)	
			Letter Grade	Semester/Year
ComD 133	_____	_____	_____	_____
Stat 121	_____	_____	_____	_____
PDBio 220	_____	_____	_____	_____

The application deadlines are December 15, April 15, or August 15 of each year. If you are taking the last of the prerequisite classes right before you turn in your application, note that fact on the form and the department will look up and enter the class grade when it is available. This allows you to turn in your application before leaving for a semester break even though semester grades are not yet available. Students will be notified of an admission decision in less than a week after the deadline.

I understand that the ComD department will access my academic record to confirm these classes and grades. If I am accepted into the ComD major, the department will officially change my major on the university records. Note that if you have too many credit hours to change majors, we won't be able to make the change.
