COACHING INTERNSHIP INFORMATION AND CHECKLIST

BEFORE YOUR INTERNSHIP

1. Have taken or be currently taking PETE 430 (Principles of Coaching) class and the specific coaching class (330R-347) by the time your internship BEGINS.

2. Read through the Coaching Internship Packet. Keep it handy because you’ll need some of the pages printed out.
   a. The portion of the packet that you need to really read through most thoroughly begins on the page that is “labeled” pg 2 (although it is in the middle of the packet) until the appendix of forms.
   b. Go to your mybyu homepage and type in “coaching internship” in the quick url to find that packet.

3. Contact Coach Bone (mbone56@msn.com) to determine what sport and where you are planning on doing your internship, and whether or not there is a master agreement with that school. The school and sport you choose is completely up to you. For a list of programs that have been successful in the past, go to www.uhsaa.org, roll over “Sports and Activities,” pick the season and sport you are interested in. You will then be able to see state tournament results from previous years. Coach Bone can also give you suggestions.
