Upon successful completion of the UEME coursework, participants are eligible to apply for the Utah Elementary Mathematics Endorsement.

COSTS

* $900.00 for six classes (compared to $331 per credit hour in graduate school), payable in one or two payments.

* Some Partnership districts have opted to pay the full tuition costs, while others may provide partial or no financial support.

* $120.00 posting fee per class, paid by the student.

* Textbooks (approximately $50.00 - $100.00 per semester)

Fall semester 2019
Begins Tuesday September 3rd
Ends Tuesday December 3rd
No class held Tuesday November 26th

Winter semester 2020
Begins Tuesday January 7th
Ends Tuesday March 24th
Includes one Thursday, January 16th

Spring semester 2020
Begins Tuesday March 31st
Ends Tuesday June 30th
No class April 7th

Fall semester 2020
Begins Tuesday September 1st
Ends Tuesday December 1st
No class held Tuesday November 24th

Winter semester 2021
Begins Tuesday January 5th
Ends Tuesday March 30th

Spring semester 2021
Begins Tuesday April 13th
Ends Tuesday June 29th
Includes one Thursday, April 29th
This policy is formulated on the fact that missing one class of the Mathematics Endorsement is equal to missing three classes of a regular course. We recognize that teachers may have to miss one class due to parent-teacher conferences but that will be counted as one missed class. Participants are expected to attend classes that may be held during spring break or other school breaks.

The following is the attendance policy for all classes of the Mathematics Endorsement offered through CITES.

Two missed classes, excused or unexcused—loss of a full grade (from A to B, for example).

Three missed classes, excused or unexcused —no credit for the class.

Missing one hour of class time, excused or unexcused (either by coming late or leaving early), will count as a missed class.

Exceptions to this policy may be considered through a written request to Dr. Barry Graff, CITES Professional Development Director.

Location is determined by the instructor and classes are held at Lehi Elementary 765 N Center, Lehi, Utah 84043 OR Mountain View High School 665 Center St, Orem, UT 84057.

Classes are held on Tuesday evenings from 4:30—7:30.

These BYU Continuing Education courses fulfill the requirements for the Utah Elementary Mathematics Endorsement.

Fall 2019: Misty Rocha
Numbers and Operations

Winter 2020: Damon Bahr
Data Analysis and Probability

Spring 2020: Misty Rocha
Rational Numbers

Fall 2020: Damon Bahr
Algebraic Reasoning

Winter 2021: Kerri Hundley
Geometry and Measurement

Spring 2021: Shannon Ference
Assessment and Intervention
