AUTISM CLINICS

Questions to ask when choosing a clinic:

- What insurance do you take? Does it cover evaluations? Does it cover therapy?
- Who does the evaluations? What are their qualifications?
- What kind of treatment services do you offer? Do you serve the entire spectrum?

DIAGNOSIS

Autism Assessment and Treatment Center

1208 East 3300 South
Salt Lake City, UT 84106
(801) 386-8069

Website: www.autismutah.com

Autism Assessment and Treatment Center offers ADOS and ADI evaluations; specializing in high functioning autism. They offer parent/child psychotherapy with attachment and dynamic orientation. The Autism Assessment and Treatment Center strives to enhance the quality of relationships and quality of life for children diagnosed with autism spectrum disorders and their families. Being a parent of a child with an autism spectrum disorder presents special challenges and unique stressors.
