

CHARTER SCHOOLS

2013–14

Created in 2004, the seven-member State Charter School Board serves as the primary governing authority for Utah's charter schools. Members of the State Charter School Board are Governor-appointed for two to four years. Appointees have demonstrated dedication to the purpose of charter schools and come from a variety of backgrounds, including parents of children attending charter schools,

State Board of Education alumni, and representatives from the business field. The Utah State Office of Education houses Utah's four-person charter school staff which, with the direction of the Board, serves the charter school community from school concept to approval, funding, and regulatory guidance.

All charter schools are required by Charter School Board rule to be accredited by the Northwest Accreditation Commission.
