

PARTICIPANTS NEEDED FOR A Brain RESEARCH STUDY

The Department of Psychology at BYU is examining brain functions and emotion in young adults.

We are seeking young adults who have been diagnosed with autism to participate in our project.

This project involves the opportunity to participate in up to FIVE studies. Each study will last from 45-180 minutes. You will be compensated \$10/hour of participation.

Participants Must Be:

- Native English speakers
- Age 18-30

Participants Must NOT:

- Have any history of seizures or head injury/concussion.

If you are interested, please call Mikle South, Ph.D., at **(801) 422-2183** or email **southlab@byu.edu** for additional information.
