

ATTENTION STUDY
Infant Research Opportunity at
Brigham Young University

Do you have an infant between 5-12 months old?
We would love to have them participate.

Families will be paid \$10 for participation.

Please contact us at:

cogndevelopment@gmail.com or 801-422-5977

* Study includes infant looking at simple images. We are especially looking for infants that have siblings who have been diagnosed with ASD. Others are also welcome.

Thank you for considering this opportunity!
