**Materials:** Large bowl, ingredients to a no bake recipe, trail mix or chex mix of your choice

**Preparation:** None needed.

### ACTIVITY

Have several ingredients to a no bake cookie recipe or some kind of dry snack that you don't have to bake. Have one of the ingredients on each table or give to a group of students. Have a big bowl at the front of the classroom and have each group come up and put in their ingredient. Mix all ingredients together for a snack. All the ingredients alone might have been plain and not as exciting but when we work together the results can be delicious and amazing! Then have students create a recipe for team work on their own. Possible recipes below, depending on wants and allergies.
