

## Curriculum Vitae

Shawn L. Nissen  
Department of Communication Disorders  
Brigham Young University  
128 TLRB, Provo, Utah 84602  
(801) 422-5056  
shawn\_nissen@byu.edu

---

### Education

- 2003                   The Ohio State University  
Ph.D., Department of Speech and Hearing Science  
Emphasis: Speech Perception and Production  
Dissertation: *An acoustic analysis of voiceless obstruents produced by adults and typically developing children* (Advisor: Dr. Robert Fox).
- 1998                   The Ohio State University  
M.A., Department of Speech and Hearing Science  
Emphasis: Speech-Language Pathology  
Thesis: *An investigation of audiovisual speech processing in Mandarin and English subjects* (Advisors: Drs. Robert Fox & Janet Weisenberger).
- 1994                   Brigham Young University,  
B.A., Department of Humanities

### Professional Experience

- 2009 – present       Associate Professor, Department of Communication Disorders  
Brigham Young University
- 2003 – 2009         Assistant Professor, Department of Communication Disorders  
Brigham Young University
- 2005                 Associate Instructor, Department of Communication Sciences and Disorders  
University of Utah
- 2002                 Instructor, Department of Audiology and Speech-Language Pathology  
Brigham Young University
- 2001 – 2002         Graduate Research Assistant, Speech Perception and Acoustics Laboratory  
Department of Speech and Hearing Science  
The Ohio State University
- 2000 – 2001         National Institute of Health Predoctoral Research Trainee  
1998 – 2000         Speech-Language Pathologist, OSU Speech-Language and Hearing Clinic
- 1998                 Speech-Language Pathologist, Sundance Rehabilitation Corporation
- 1996 – 2000         Graduate Teaching Assistant, Department of Speech and Hearing Science  
The Ohio State University

### **Teaching Experience**

- 2021 – present Cognitive Communication Disorders, Department of Communication Disorders  
Brigham Young University
- 2017 – present Medical Speech Language Pathology, Department of Communication Disorders  
Brigham Young University
- 2009 – present Clinical Phonetics, Department of Communication Disorders, Brigham Young  
University
- 2004 – 2020 Traumatic Brain Injury, Department of Communication Disorders, Brigham Young  
University
- 2003 – 2018 Aphasia, Department of Communication Disorders, Brigham Young University
- 2003 – 2012 Speech Anatomy, Department of Communication Disorders, Brigham Young  
University
- 2005 Aphasia, Department of Communication Sciences and Disorders, University of Utah
- 2002 Speech Anatomy, Department of Audiology and Speech-Language Pathology  
Brigham Young University
- 2000 Normal Development of Communication in Children, Department of Speech and  
Hearing Science, The Ohio State University
- 1997 – 1999 Brain Mechanisms of Language (SHS 250), Department of Speech and Hearing  
Science, The Ohio State University

### **Professional Awards**

- 2013 The Nancy Peery Marriott Outstanding Teacher of the Year Award, David O. McKay School of  
Education, Brigham Young University.

### **Publications**

31. Smith, L. C., & Nissen, S. L. (2020). Do Students Make More Pronunciation Improvements Living in  
German Foreign Language Housing than Studying in Class? In J. Brown, W. B. Smemoe & D. P.  
Dewey, *Language Learning in Foreign Language Houses*, Georgetown University Press, pp.251-  
257.

### Articles in Review

### Financial Awards

- 2017 Research grant from the David O. McKay School of Education. *The effectiveness of using electropalatography to improve speech instruction for students learning English as a second language*. Funded for the amount of \$30,480; Shawn L. Nissen (P.I.).
- 2013 Research grant from the David O. McKay School of Education, CITES Research Division. *Speech Physiology*. Funded for the amount of \$60,000; Shawn L. Nissen (P.I.); Kristine Tanner, Christopher Dromey, Ron Channell (co-investigators).
- 2013 Research grant from the Fletcher Biocommunication Endowment. *The efficacy of using electropalatometry in Second Language Learning*. Funded for the amount of \$48,000; Shawn L. Nissen (P.I.).
- 2012 Research grant from the David O. McKay School of Education. *The efficacy of using electropalatometry to remediate developmental articulation disorders in school-aged children*. Funded for the amount of \$7,750; Shawn L. Nissen (P.I.).
- 2011 Research grant from the David O. McKay School of Education. *The kinematic correlates of spectral moment measures: An examination of electropalatomic contact patterns for obstruent speech productions*. Funded for the amount of \$7,750; Shawn L. Nissen (P.I.).
- 2010 Research grant from the David O. McKay School of Education. *The acoustic nature of speech prosody in typically developing children: An examination of production and perception*. Funded for the amount of \$8,000; Shawn L. Nissen (P.I.).
- 2009 Co-investigator on a research grant from the David O. McKay School of Education. *Development of psychometrically equivalent Samoan speech audiometric materials*. Funded for the amount of \$8,170; Richard Harris (P.I.).
- 2008 Research grant from the David O. McKay School of Education. *The development of materials to evaluate the speech perception abilities of native speakers of Mongolian*. Funded for the amount of \$7,670; Shawn L. Nissen (P.I.).
- 2007 Research grant from the David O. McKay School of Education. *The development of speech audiometry materials for speakers of Thai*. Funded for the amount of \$5,532; Shawn L. Nissen (P.I.).

- 2006 Research grant from the David O. McKay School of Education. *Psychometrically equivalent Cantonese speech audiometry materials*. Funded for the amount of \$6,267; Shawn L. Nissen (P.I.).
- 2005 Research grant from the David O. McKay School of Education. *The effectiveness of several methods of prosodic instruction for the professional voice user: A quantitative analysis of acoustic elements*. Funded for the amount of \$7,650; Shawn L. Nissen (P.I.).
- 2005 Co-investigator on a mentoring research grant from the Office of Research and Creative Activities. *Development of digitally recorded speech audiometric materials*. Funded for the amount of \$10,760; Richard Harris (P.I.).
- 2005 Co-investigator on research grant from the David O. McKay School of Education. *Speech audiometric materials in Mandarin*. Funded for the amount of \$5,000; Richard Harris (P.I.).
- 2004 Research grant from the David O. McKay School of Education. *Acoustic variation between read and spontaneous Mandarin speech: An analysis of prosodic and spectral elements*. Funded for the amount of \$5,984; Shawn L. Nissen (P.I.).
- 2004 Co-investigator on research grant from the David O. McKay School of Education. *Speech audiometric materials in Mandarin*. Funded for the amount of \$8,500; Richard Harris (P.I.).
- 2003 Research grant from the David O. McKay School of Education. *Age related changes in the acoustic characteristics of voiceless obstruent sounds: A spectral moment analysis*. Funded for the amount of \$7,274; Shawn L. Nissen (P.I.).
- 2000 - 01 National Institutes of Health (NIH) Predoctoral Traineeship in Speech and Hearing Science. *Multidisciplinary program in speech and hearing science*; Robert Fox (P.I.).
- 2000 Research grant from the Ruth Becky Irwin Memorial Fund. Funded for \$1,000; Shawn L. Nissen (P.I.).
- 1998 Research grant from the Ohio State University. Funded for the amount of \$2,000. Shawn L. Nissen (P.I.).
- 1995 – 96 Recipient of an Ohio State University Fellowship.

### **Professional and Academic Service**

#### **Academic Committee Membership**

- 2021 – present McKay School of Education Rank and Status Committee - Chair
- 2019 – present Department of Communication Disorders Curriculum Committee - Chair
- 2003 – present Department of Communication Disorders Admissions Committee - member
- 2020 – present Department of Communication Disorders Faculty Search Committee - member
- 2021 – present Department of Communication Disorders Alternative Thesis Committee
- 2019 – 2021 Rank and Status Committee, McKay School of Education - member
- 2016 – 2020 MSE CAEP accreditation committee - member
- 2016 – 2020 Educator Preparation Program – Advanced Program Counsel - member
- 2018 – 2019 Graduate Coordinator – Department of Communication Disorders
- 2006 – 2019 Department of Communication Disorders Diversity Committee - chair
- 2017 – 2018 Department of Communication Disorders Peer Teaching Evaluation Committee - chair
- 2016 – 2017 McKay School of Education Multicultural Education Committee - member
- 2015 – 2017 Department of Communication Disorders Peer Teaching Evaluation Committee - member
- 2013 – 2015 University Faculty Advisory Committee – sub-committee Chair
- 2012 – 2013 University Faculty Advisory Committee – member
- 2010 – 2012 McKay School of Education Multicultural Education Committee
- 2006 – 2010 McKay School of Education Planning Committee
- 2004 – 2010 Benjamin Cluff Jr. Lectureship Selection Committee
- 2006 – 2010 McKay School of Education Human Subjects Internal Review Board Subcommittee
- 2006 – 2008 Department of Communication Disorders Interview Subcommittee
- 2003 – 2006 Advisor for local chapter of National Student Speech-Language and Hearing Association (NSSHLA)
- 2004 Department Coordinator for Summer of Academic Refinement (SOAR)
- 1999 - 2001 University Counselor, Central Ohio Speech and Hearing Association
- 1998 - 2001 Faculty search committee, The Ohio State University
- 1996 - 1998 Physical facilities committee, Dept. of Speech & Hearing Science

## Academic Theses Chaired

In process	Rebecca Lyman, [topic selection in progress]
In process	Jack Hoffer, [topic selection in progress]
In process	Lana Mitchell, [topic selection in progress]
2021	Brooke Thomas, <i>Quantifying Speech Pause Durations in Speakers with Nonfluent and Fluent Aphasia</i>
2021	Julia Price, <i>The Perceived Effect of Pause Length and Location on Speaker Likability and Communicative Effectiveness</i>
2021	Heidi McConaghie, <i>Correlations Between Cognitive Pause Patterns and Listener Perceptions of Communicative Effectiveness and Likeability</i>
2021	Emily Wright, <i>The Influence of Pause on Listeners' Perceptions in Speech of People with Aphasia</i>
2020	Emily Petersen, <i>The Efficacy of EPG Assisted L2 Pronunciation Instruction: An Auditory-Perceptual Analysis of the Speech of Native Japanese Learners of English</i>
2019	Summer Price, <i>A preliminary study using electropalatography in second language instruction: An examination of formant frequencies.</i>
2019	Nikki McDougal, <i>The impact of electropalatography in teaching eh /r/-/l/ sound contrast for native Japanese language learners of English: Evidence from lingua-palatal contact.</i>
2019	Elizabeth Young, <i>Using electropalatography to analyze intra-speaker variability in German second language fricative production.</i>
2019	Kallie Chaves, <i>The distinction between lingua-palatal contact patterns of English light and dark /l/: A precursor to using electropalatography in second language instruction.</i>
2018	Elizabeth Cope, <i>The Influence of Task Type of Speech Production by Second Language Learners of German: An Electropalatographic Study.</i>
2018	Lindsey Wing, <i>Native Mandarin speakers' production of English fricatives as a function of linguistic task type and word position: A spectral moment analysis.</i>
2018	Rachel Zitting, <i>Perceptual proficiency ratings of obstruent productions in L2 learners of English as a function of task type, word position, and listener expertise.</i>
2017	Kasey Duffield, <i>Perceptual analysis of children's adaptation to an electropalatography sensor.</i>
2017	Kate Lester, <i>Quantifying lingua-palatal contact patterns of obstruent productions by non-native students enrolled in a university German learning course: An electropalatographic study.</i>
2015	Lisa Isaacson, <i>Establishing normative data for contact patterns of fricative production by native German speakers.</i>
2015	Kara Klac, <i>Monophthongal vowel production in females with Primary Sjögren's syndrome following a hydration treatment of nebulized saline</i>
2014	Keri Nelson, <i>The effects of nebulized saline treatments on diphthongal vowel production on female subjects with Sjögren's syndrome</i>
2014	Kara Knapp, <i>Children's adaptation to electropalatography: Evidence from acoustic analysis of /t/ and /k/</i>
2014	Marissa Purser, <i>Speech adaptation to electropalatography in children's productions of /s/ and /ʃ/</i>
2013	Melanie Peris, <i>Remediating interdental /s/ in a school-aged child using a multimodal bootcamp approach</i>
2013	Kristina Pickett, <i>The efficacy of using electropalatometry to remediate developmental articulation disorders in school-aged children with hearing impairment</i>
2012	Benjamin Marshall, <i>The correlation between spectral moment measures and electropalatographic contact patterns for /s/ and /ʃ/</i>
2012	Janelle Barrett, <i>The correlation between spectral moment measures and electropalatometric contact patterns for /t/ and /k/</i>

- 2012 Nicole Clover, *An acoustic analysis of elements of contrastive stress produced by 8 to 10-year-old children*
- 2011 Sharalee Blunck, *Listeners' ability to identify the gender of preadolescent children across multiple linguistic contexts.*
- 2011 Lacey Powell, *The effects of gender and elicitation method on the prosodic cues utilized by 7 to 11 year-old children in the question-statement contrast.*

### **Professional Service**

Session Chair, 2017 Phonetics Teaching and Learning Conference, University College of London.

Organizing committee – *Issues in Culturally and Linguistically Diverse Populations*, 2013 American Speech-Language and Hearing Association Convention.

Organizing committee – *Issues in Culturally and Linguistically Diverse Populations*, 2012 American Speech-Language and Hearing Association Convention.

Session Co-chair, 153<sup>rd</sup> Meeting of the Acoustical Society of America.

Organizing committee – Speech Communication Division, 153<sup>rd</sup> Meeting of the Acoustical Society of America.

Ad-hoc reviewer for the Journal of Speech Language and Hearing Research

Ad-hoc reviewer for the American Journal of Speech-Language Pathology

Ad-hoc reviewer for the Journal of the Acoustical Society of America

Ad-hoc reviewer for the Biomedical Signal Processing and Control

Ad-hoc reviewer for the International Journal of Audiology

Ad-hoc reviewer for the Journal of Phonetics

Textbook Reviewer for Delmar Cengage Learning

Textbook Reviewer for Merrill Prentice Hall

Textbook Reviewer for Lippincott Williams & Wilkins

McKay School of Education Commencement Reader

### **Clinical Certifications**

Certification of Clinical Competence (CCC-SLP) from the American Speech-Language-Hearing Association (ASHA).  
Utah State license of clinical practice in Speech-Language pathology.

**Professional Affiliations**

International Phonetic Association  
The American Speech-Language and Hearing Association  
Full member of the Acoustical Society of America  
International Association of Chinese Linguistics (2001 – 2003)
